

AN ADDISON GROUP COMPANY

COMPANY OVERVIEW

Helping Companies **GROW, TRANSFORM, AND SUCCEED.**

Bridgepoint Consulting is a leading management consulting firm that offers a full suite of services and solutions to help companies navigate the complexities of growth and change.

We work with the C-Suite—with a focus on finance, risk and technology leaders—to provide strategic resources and support critical business transitions.

Our services are geared to organizations in transition, including firms experiencing high-growth, meeting compliance objectives, or transforming to meet strategic benchmarks or an M&A opportunity.

HOW WE HELP COMPANIES

- Growth, transition and transaction complexities
- IT systems and infrastructure optimization
- Operational and regulatory compliance
- Gaps in critical resources or expertise

EXPERIENCE. EXPERTISE. RESULTS.

Whether you're experiencing high growth, a transaction or an operational transformation, we assemble the right combination of expertise to ensure your success. Since 1999, we've been delivering business expertise to organizations of all sizes.

With offices in Austin, Dallas and Houston, our team consists of industry veterans and professionals with extensive expertise in financial operations, information technology, and risk & compliance.
