

# Are your customers asking about your **GDPR compliance**?

## HOW YOU APPROACH **GDPR COMPLIANCE** CAN MAKE ALL THE DIFFERENCE

GDPR is a game-changer that is transforming the way organizations process and manage data, giving more control to citizens and customers. Quite clearly, this new regulation and data privacy remains top of mind for business leaders all over the world — and meeting the strict guidelines for compliance remains a struggle. Many executives still remain

unaware of the full impact of the GDPR, and those who are aware of it do not feel they are ready to fully comply with its specifications.

## HOW WE SIMPLIFY YOUR GDPR COMPLIANCE

At Bridgepoint Consulting, a typical roadmap for helping our clients achieve full GDPR compliance includes:

### DATA MAPPING

*We can identify personal data including types, locations and security measures*

### GAP ANALYSIS

*We analyze your GDPR requirements to see what is already in place and what's missing*

### ACTION PLAN

*We create a remediation plan that includes a target date, owners, risk level and actionable steps*

### REMEDIATION

*We can help address issues based on priorities such as highest risk or easiest win*

### ASSESSMENT

*We analyze whether fixes are working and how they can be improved*
